

2020-21 Scout Projects

A big CNC thank you goes out to all the scouts who completed projects here! Here is a rundown of all their recent activities.

- Dean Domenico & Troop 147 built an accessibility ramp for the picnic grove, playground and campfire circle.
- Joey Benincasa constructed a raised flower bed for the butterfly house enclosure.
- Evan Gerdy & Troop 30 added two more benches for our recently redone campfire area.
- Jack Rugarber & Troop 11 replaced the springhouse roof (pictured left.)
- Aryan Patil & Troop 137 connected the two sections of boardwalk in front of the springhouse for accessibility.
- Alex Freeman & Troop 145 installed a rope-pole barrier along the lower green trail to discourage off-trail travel.
- Breanna Burkart of Troop 284 completed her Bronze award by replacing our Little Free Library.
- Joey Staller & Troop 145 removed invasive plants in the butterfly house enclosure and planted new pollinator friendly shrubs.
- Olivia & Maddy Russ both completed their Silver Awards by clearing invasive plants and planting new vegetation around our pond as well as building a new bench.
- Jillian Covill completed here Silver Award by clearing and planting new vegetation around our parking lot pond.
- Tanmay Sammeta & Troop 99 replaced the rotting half fence of the patio with a new full height one complete with decorative lattice.
- Meghan Jester of Troop 21873 completed her Silver Award by painting a new mural to expand Native Animal Display.
- Chase Littig & Troop 145 removed invasive plants and planted new vegetation.
- Nate London & Troop 200 removed invasive plants.
- Girl Scout Troop 263 fundraised for a brand new outdoor recycled plastic trash & recycling bin.
- Girl Scout Troop 209 donated two new wood duck boxes they built.
